Financial Concerns

Some of you have asked questions that I have also had about giving during this time of separation. If March is an example, we were a little thin. Giving for budget related items was about \$27,800 and budget for each month is about \$47,300. Thanks to your support in December we have a bit of cash to cover it. So, we will be okay as long as this doesn't go too long.

I want to take this time to speak to those of you that are experiencing a financial downturn of your own during this national scare. The church is committed to helping. We are riding this out together and the impact on your family is one of our concerns. Let us know if you need help and we will do all we can.

The Lord bless you and keep you, the Lord make His face to shine upon you and be gracious to you while we are absent one from another.
