

We hope to open next Sabbath, June 6, 2020.

The state of California has released guidelines for re-opening churches. Our local conference has also been working on guidelines. We are working on meeting the guidelines and good health practices because we want to be sure that we are ready to make it about worshipping God together with the assurance that you are as safe as possible.

One of the most difficult regulations will be the limit of 100 people per service. This number includes the congregation and the worship team. We will need to implement a sign-up process with multiple services. **Watch for newsletter notifications about Eventbrite.** We will limit the services to 80 people. Please share this information as some may not get or read the Gracepoint Newsletter.

Please check into Gracepoint Livestream about 10 mins early to view the pre-recorded announcements. Join us every Saturday at 10am via Livestream, and then Facebook Live for a Second Look at the sermon. Find it at youtube.com/gracepointadventistchurch, hit the SUBSCRIBE button and select the notification bell.

Congratulations Class of 2020!
